

Energy and Water Efficiency Incentives for San Mateo County Homeowners

Component	Incentive	Notes	Type	Website	Phone
Site & Landscape					
salvaged materials	tax write off	for donation of materials to non-profit organization	O	www.redo.org	(410) 588-3625
gardening	FREE	workshop series on sustainable gardening & composting practices	S	www.recycleworks.org	(650) 599-1498
pool pump and motor	up to \$100	for replacement of lower efficiency components to variable or 4 speed	R	www.pge.com/res/rebates	(800) 933-9555
Building Envelope					
Residential New Construction	varies	performance and prescriptive options for <i>builders</i>	R	www.pge.com/biz/rebates	(800) 342-7737
Cool Roof retrofit	up to \$.20/sq.ft	low or steep sloped (climate zones 2, 4, 11-13)	R	www.pge.com/res/rebates	(800) 933-9555
insulation	\$0.15/sq.ft	for installation of new attic or wall insulation in existing home	R	www.pge.com/res/rebates	(800) 933-9555
weatherization and repairs	FREE	low-income customers only	S	www.pge.com/res/financial_assistance/energy_partners/index.html	(800) 933-9555
HVAC & Plumbing					
furnace	up to \$300	ENERGY STAR [®] qualified central natural gas furnaces	R	www.pge.com/res/rebates	(800) 933-9555
duct sealing	up to \$600	for bringing up to IECC requirements (climate zones 2, 4, 11-13)	R	www.pge.com/res/rebates	(800) 933-9555
water heater	\$30	efficient gas or electric storage types	R	www.pge.com/res/rebates	(800) 933-9555
air conditioner	\$50	ENERGY STAR [®] qualified portable or window room A/C	R	www.pge.com/res/rebates	(800) 933-9555
whole house fan	\$100/fan	no limit to number of installations	R	www.pge.com/res/rebates	(800) 933-9555
faucets & showerheads	FREE	Water Conservation Kit: low-flow showerheads & faucet aerators	S*	www.midpeninsulawater.org	(650) 591-8941
Appliances & Lighting					
clothes washer	up to \$200	for installation of high efficiency clothes washer	R*	www.conservationrebates.com	(800) 587-3442
	up to \$75	for installation of high efficiency clothes washer	R	www.pge.com/res/rebates	(800) 933-9555
refrigerator recycling	\$35	for replacement of working unit with new ENERGYSTAR model	R	www.jacoinc.net/weborder/ProqselZip.aspx	(800) 299-7573
dishwasher	up to \$50	for installation of high efficiency dishwasher	R	www.pge.com/res/rebates	(800) 933-9555
lamps and fixtures	\$1-\$10/unit	rebate amount reflected in sales price of qualifying products	R	www.pge.com/res/rebates	(800) 933-9555
Renewable Energy					
photovoltaic (PV) solar electric	\$1.90/watt	for existing homes and other properties (CPUC), call for exact amount	R	www.qosolarcalifornia.ca.gov	(800) 743-8300
	\$1.90/watt	for builders of new homes (CEC), call for exact amount	R	www.qosolarcalifornia.ca.gov	(800) 555-7794
	up to \$2,000		T	www.energytaxincentives.org/consumers	(877) 337-3463
solar water heating	up to \$2,000	must cover at least 50% of energy needs; not for pools	T	www.energytaxincentives.org/consumers	(877) 337-3463
wind	\$2.50/watt	for first 7.5kW, then \$1.50/watt up to 30kW	R	www.consumerenergycenter.org/erprebate/program.html	(800) 555-7794
fuel cells using a renewable fuel	\$3.00/watt	less than 30 kW	R	www.consumerenergycenter.org/erprebate/program.html	(800) 555-7795
Tools & Financing					
Energy Efficient Mortgages	varies	for purchase or refinancing of new or existing homes	O	www.resnet.us/ratings/mortgages	(760) 806-3448
Home Energy Saver	FREE	do-it-yourself energy audit tool	S	hes.lbl.gov	-
Guide to Energy Efficiency	FREE	tips for saving energy at home	S	www.eere.energy.gov/consumer	(877) 337-3463
SmartEnergy Analyzer	FREE	take this survey & learn ways to lower your monthly bill	S	www.pge.com/res/rebates/energy_tools_resources	(800) 933-9555
Energy Saving Calculators	FREE	evaluate the energy costs & potential savings of household items	S	www.pge.com/res/rebates/energy_tools_resources	(800) 933-9555

IECC = International Energy Conservation Code

AFUE = Annual Fuel Utilization Efficiency

* Contact your local utility to learn about similar incentives if you are not a Mid-Peninsula Water District customer.

Key:

R = Rebate

T = Tax credit (subject to \$500 maximum per home for all improvements combined, NOT INCLUDING renewable energy incentives)

S = Service

O = Other
